College of Medicine

Given its Level I accreditation status by the Philippine Accrediting Association of Schools, Colleges and Universities (PAASCU), the college continues to provide world-class, advanced, and safe quality education. From the traditional ways of examining the cadavers to using high technology 3D dissection table called the Anatomage specifically acquired to ensure the safety of students in the new normal without sacrificing the teaching and learning quality.

The university utilizes its own hospital to help students gain experience while being trained in a real clinical set-up in a tertiary hospital before they face the real world of being a physician.
