

#BeACentralino

College of Nursing

For over 77 years, we have continually innovated with industry practices for our students to become the best nursing practitioners wherever they are in the globe by teaching them international nursing standards and practices.

The BSN program aims to produce a fully functioning nurse who is able to perform the competencies of Client Care, Management and Leadership, and Research.

The MCU nursing graduates' board exam passing rate has always exceeded the national passing average. MCU graduates are cited for their outstanding compassion and caring worldwide.
