No. Credits	:	92
Start Date	:	July

Master of Science in Dentistry

Our MS in Dentistry program is designed to prepare dentists for leadership positions in education, research, and program administration complementing their areas of clinical expertise.

Help others by improving their smile and confidence through the dentistry program. Every MCU dentistry student wears a big smile themselves thanks to our college's 'Aruga' program. This approach ensures your total development by exposing you to learning opportunities both outside and inside the university making sure you're ready for the industry after graduation.

Why MCU?

- 120 Years in Innovating Education
- Efficient Student Care Program
- State of the Art Facilities
- Seasoned Faculty and Staff One
- of the Greenest and Safest Campus in the Metro Flexible Payment Terms
- Scholarships and Financial Aid Available
