Clinical, Biomedical and Natural Sciences, Volume 8, No. 1 (2017)	
Title	Authors
Efficacy of <i>Citrullus lanatus</i> (Watermelon) Ethanolic Seed Extract as an Anti-helminthic Agent	Charisse Mae G. Barrosa, Carlo Eggyboy M. Duloguin, Fatima Nikki Mae F. Geronimo, Maria Celeena S. Gonzales, Jenica Vanessa A. Jumaya, Catherine M. Latayan, Kurt Ashley V. Magno, Ghe Anne D. Masangkay, Rose Ann T. Ocampo, Ma. Richelle Angela O. Paguyo, and Robin C. At At
Feasibility Study of Grayanotoxin extract from <i>Rhododendron subsessile</i> rendle in Inhibiting Saxitoxin Poisoning	Abigaiel L. Antonio, Lawrenzo S. Baltazar, Janille M. Contreras, Alyanna R. Crisostomo, Marizh T. De Mesa, Christine Joanabel S. Escol, Merie Anne M. Fetalvero, Abbigail R. Pati, Naomi Pamela J. Quiambao, Jeremiah C. Salizon, and Ma. Editha B. Dy
Gastroprotective Property of <i>Capsicum annum</i> against Aspirin-Induced Ulcer in Sprague-dawley Rats	Jesm Anjanelle Dela Cruz, Jenica Zandra Dimaranan, Atria Faith Dulay, Kathrina Evangelista, Bea Gallardo, Princess Hernandez, Paolo Mendoza, Nicole Nabartey, John Vincent Sison, Louisainne Sison, and Josephine C. Abrazaldo
The Resveratrol Component of <i>Arachis hypogaea</i> L. (Peanut or Groundnut) as a Potential Chemoattractant	Jayar D. Acero, Regine P. Agoncillo, Rhealiza T. Dimla, Margarete Elisha A. Epres, Jayson D. Nohara, Sandra Sheila F. Sales, and Maria Dolores C. Evangelista
Platelet-Increasing Activity of the Formulated Syrup from the Expressed Juice of <i>Carica papaya</i> Leaves (Caricaceae) in Heparin-Induced Thrombocytopenic Sprague-Dawley Rats	Alexis C. Arellano, Ma. Czerina Faye B. Caldera, Pamela Ynah C. Lordan, Jemar M. Antonio, Christine Marie S. Terrado, Dr. Crislee M. Torio
Larvicidal Property of the Crude Alkaloid Extract from Guyabano (<i>Annona muricata</i>, Fam. Annonaceae) Leaves Against <i>Aedes aegypti</i> 3rd Instar Larvae	Ailyn Mae C. Dela Pena, Eunice Marie O. Mesina, Jolina Mae G. Nepomuceno, Precious Mary Angel T. Pangilinan, and Dr. Crislee M. Torio
Identification of the Antibiotic-Producing Bacteria from the Municipal Garden Soils of Camarin and Navotas	Kimberly S. Abadilla, Maria Shenn D. Alday, Phoebe V. Bayani, Alyssa Marie R. Dizon, Marvey Anne M. Gumatay, Mayla S. Toledo, Phil Joed Vance M. Vitug, Dr. Karina Marie S. Batu and Dr. Crislee M. Torio

Susceptibility Test of Mycobacterium tuberculosis H37Rv Strain to Crude Methanolic Extract and Selected Fractions from the Heartwood of Sappanwood (Caesalpinia sappan) Fam. Fabaceae	Pauline D.C. Garcia, Kim Gonzales, Kris Zelle V. Reyes, Nelson O. Eugenio, MClinaud, and Dr. Crislee M. Torio
An Assay to Isolate Potentially Antimicrobial Lactic Acid Bacteria from Chanos chanos Gut	Dr. Jose A. Mallari, Daniel E. Gracilla, Christian R. Pangilinan, and Nieves L. Capili
